

Southwest Horizon hires new Principal for Deloraine School

Southwest Horizon School Division is pleased to announce the hiring of Tony Franklin as the new Principal of Deloraine School for the 2010 – 2011 school year. The position was previously held by Doug Whiteside, who will be retiring at the end of the current school year after a long and distinguished career with Southwest Horizon School Division.

The Principalship in Deloraine School is a challenging role that Tony looks forward to fulfilling. Tony possesses excellent credentials for the position. He has previous administrative experience, a master's degree in educational administration, and is very familiar with the culture of the school as he currently teaches there and lives in Deloraine.

Tony is involved in his community in a number of ways including service as a hockey coach for a number of local teams over the years.

We are confident that Tony will perform very well in his new role as principal of Deloraine School in the future, and we welcome him to the very talented group of school based administrators in Southwest Horizon School Division for the 2010 – 2011 school year.
